I'm sure the answer is yes but I just want to confirm that the delivery of water continues. Correct?

Thanks!

Sampling for this morning will be re-scheduled because the resident was in the hospital. One home to be sampled this afternoon.

One more home is scheduled to be sampled at noon on Thursday, 3/8/12.

Site team continues to work on data validation and tox review in anticipation of data roll-out for the week of 3/12/12.

As of noon:

*Unaccounted category includes homes that were sent certified letters due to disconnected phone - not counted in appointment to be scheduled. Also note that the discrepancy between Sampling Done and Appointments Scheduled is because some homes shared a well and only one home was sampled.
